Blackie's Birthday

The Webkinz were preparing for yet another birthday party. This time, it was Blackie's birthday. "I have the decorations ready. So, where did Blackie go?" asked Hugo.
>"He said he was going to go to the arcade." said Nemo.
"Oh."

>"And he's going to be back any minute now. So, hurry up with those decorations." said Vixen.
"No time. Blackie's back." said Jessica as she pointed at the window.
>"Everyone, hide!" said Tabby as everyone hid behind some furniture. Blackie came into a dark room.
"Why are all the lights off?" asked Blackie. He then turned on the lights.
>"Surprise!" said everyone at the same time.
"Aw, you guys remembered my birthday." said Blackie.
>"Of course we did. We would never forget anyone's birthday. Now come on, birthday boy, all of the presents are in the other room." said Lea.
"Okay. I'm coming." said Blackie. Everyone spent the rest of the day opening Blackie's presents and celebrating his birthday in general.
